HOW OUR MOOSE MEMBER BENEFITS CAN BE GREAT RECRUITING TOOLS

To say a lodge has many benefits is an understatement. Just the feeling of belonging to something bigger than yourself. Many people working together to make great things happen. To help each other like family, to support our ups and downs, that's who we are at the Moose Lodge. Well how many of us really know what that membership card really stand for. By paying your dues each year you are supporting our kids at Mooseheart, our Seniors at Moosehaven, and you are eligible to receive many benefits. Benefits maybe no one has ever explained. If you signed up to be a Moose Member or Chapter Member you signed a oath, an oath that included signing up your friends and family to be Moose Members too. A very difficult task if your not sure about all the benefits that are part of being a Moose. If you have not taken the time to look, the Moose International website has so many benefits listed they separate them for you by type. Family and Entertainment offers you discounts on golf t-times, FTD Florist, Car Perks, and 5% off Sears Gift Cards. Travel Programs offer

savings on rental cars, hotel rooms and Vacation Packages. Insurance Benefits include free accidental death coverage, discounted insurance program for you, your family and your pets. And lastly, Prescription and Medical Discounts. These are easy to find on the Members Only Section @ www.moosintl.org. You should at least check them out to save some money. Think about this, how many of you sent flowers to mom for the Holiday's and did not even know you could have saved 15%. What? Yep!!!

So who are our recruiters, you are... And boy do we have tools to help sell our Fraternity. Benefits like Moosehaven, who would like to live worry free for the rest of their lives? And for our members who are still parents, if something happened to you, your kids could go to Mooseheart and be adopted by over nine hundred thousand (continued on page 7)

2015 POLAR PLUNGE FOR SPECIAL OLYMPICS OF FLORIDA

This years Polar Plunge will be a week later than the last few years. February 7, 2015, this will give the water time to really chill down before we jump in. The Palm Bay Lodge has supported this fundraising effort for three years now. Each year our crew grows and we are looking for a few brave souls to join us in making the plunge. In order to be eligible to plunge you must be at least fifteen years old. Fundraise or donate at least \$100 through the event, In return you will receive admission for you and two supporters to Sea World's Aquatica on the day of the plunge., a t-shirt to wear with pride, and the pride of being one of only a few who are brave enough to take the plunge. If you raise \$200 you will get a special long sleeve t-shirt and a free lunch coupon for the day of the plunge. There are even more prizes for those who raise more funds. Last year our lodge plungers raised over \$1000, and when we were included with the Florida Heard of Moose Team, Moose members raised over \$7000. That's right Moose from all over come to take the plunge with us. And as a bonus a lot of the athletes we are raising money to support are there right along with us to raise money for a great cause. District 7 Lodges & Chapters Open Their Hearts And Wallets To Support Angel Tree Program

December 18, 2014...Therese and I went to Bartow, Florida, traveling 225 miles round trip, it was fun and we got pictures with 41 kids. Erika Key, Florida Sheriffs Youth Ranches Program Director and Frank Kenny, CFP introduced us to the kids and showed us around. I am proud of the District 7 Lodges and Chapters for doing a great job collecting gifts as part of our angle tree program. I hope we can do something like this again.

Administrator's Message

Well, I can't believe, here we are at the end of the year. Let me say Happy New Year. What a year we have had, the Lodge has come so far and it looks like were going be moving on to even bigger and better things. Thanks to you the members, we now have a new building that we are looking at. Your building committee and Lodge board of officers are working hard to see if we can afford it, keep our fingers crossed, that maybe we can.

Thanks to the "Oh My Gosh" club this will be a great Christmas party for our children. Again I want to say thank you to you the members of the Palm Bay Moose Lodge for making this Christmas party the

big success that I know it will be. Over 40 children are on the list, by watching the children; it will help to get all of us in the Christmas spirit.

By the time you receive this letter, all of these parties will have passed and it will be the New Year. I just want to say, thank you to all of you my friends, I wish and hope for us, continued health, so that we can enjoy the New Year. I also want to say let's keep working together to make this coming year even better for our Lodge. I know with the WOTM and the LOOM working together we can accomplish all our goals.

Fraternally, Lee Singleton

Governor's Message

Dear Members:

I hope this New Year finds you all healthy and happy. I will be returning as Governor to finish this term, and I am excited for the opportunity to continue to serve our membership.

Wow, what a holiday season! Thanksgiving was a huge success - thanks to all of the volunteers and donations of food that made it all possible. In all, over 60 members and their families were served. The blind auction for this year's Kid's Christmas Party was the best year yet. The "Oh My Gosh" Club and their Grand Pooh-Bah, Mike Nolan, organized the event and raised over \$2,500 from our gen-

erous members. Great job to all! New Year's Eve was spectacular as usual and thanks to Bobby and his crew for pulling it off without a hitch.

Now, on to 2015. Please check out the calendars for January and February and come join us for great food, music, and friends. Please keep your eyes out for our "new building" fundraisers and come out and support your lodge in any way you can. I am looking forward to a great 2015.

Finally, thanks again to all of our members for continuing to make us the "Friendliest Lodge in Town"!!!

Fraternally, Matt King, Governor

As of this newsletter I am happy to report were doing a little better. We are less than 20 members down from being +1. Remember men if you sponsor three new members you will have your dues paid for the next year. So get out and sign them up to take advantage of your Lodge doing something for you. If you have a chance, take a look at the sponsor sheet, you will see that we now have two ladies that have sponsored men. I know you

ladies can sponsor far more men than that. So why not take advantage of the Lodge paying your dues also.

With less than five months to go I still feel we can get this job done. One thing in our favor, we are offering new members, not only the friendliest Lodge in town, but the damn best Lodge in town.

2014 LIFE CARE CENTER BIKE RUN AND KARAOKE PARTY

THANKS TO THE PALM BAY MOOSE RIDERS & THE AMERICAN LEGION RIDERS

DECEMBER 13, 2014. Seven years ago, Senior Regent Joyce Uhl and Ellie put together our first annual Nursing Home Party. Using their connections with what is now the Moose Riders and American Legion Riders from 81 & 117, they put together an event that is going to go for years. Well here we are in 2014 and Ellie has done it again. She has brought us all closer together in our ongoing partnership. And who benefits from all this teamwork? Well, the patients at the Life Care Center of course. So many have no visitors and just need a reason to smile. This year there were plenty of smiles to go around.

We began our day at the Palm Bay Lodge with food and the gathering of the riders. Some were decked out for the season and some held stuffed animals to make the trip even more special. Jack Cole turned 90 years old, we had a cake for him, then it was time to go and spread some holiday cheer.

As we arrived early, there were a few patients already lining the main drive, a team of six elves went into action to help more patients get out if they wanted to watch the parade of bikes. Approximately thirty came out to greet the bikes. As the riders arrived they were greeted by cheers and clapping. Each rider came up to the patients and engaged with conversations that included "Merry Christmas" and such. All were excited to see us. Santa made an appearance on the back of a convertible and handed out his own special gifts. Some of the riders went into the center to pass out hand picked gifts for certain patients. Not to outdo the riders there was a dove releasing ceremony to honor our friends and family still overseas in the military and as the doves flew there was a scream telling them to spread the Christmas Spirit!!! As the bikes took to the wind, our atten-

tion moved inside to the dining hall. There, "Karaoke by Gary" had set up and volunteers began singing carols to help spread the cheer, Sweet Sue, Jersey Dave, Gracy, Dean, Jack & Jan Clegg, and of course Denise and Gary, sang their suggestions and offered to take requests. A high point seem to arrive when an employee at the Life Care Center began to sing, his voice was so good. Lots of fun and clapping were going on in the dining hall that day.

Meanwhile, those six little elves were busy distributing gifts to each and every bed in the place. With donations from many places, every patient received a plush doll and blanket. Taking time to speak with the patients if they wanted to and walking every hallway in the place, the elves handed out one hundred and forty gifts. Our new helper elf, Aubrey, did a great job and I think she now has 140 new grandparents... She was a huge hit and even started a tiff with a special patient name Warren who was aloud out of the Garden to participate with us. He was a ladies man and was getting attention from all the ladies, including Aubrey. I think he must have smelled like cookies, if you know what I mean... If you don't ask Michael...

Every year it gets bigger and better, even this year one of our own was there in room 226. if you would like drop her a card. Let her know her Moose family is thinking of her. If you would like to get to know her, her information in on the board at the lodge.

It's nice to see our lodge and chapter showing Palm Bay that we are the Heart of our Community. I am proud to be a part of something so important and celebrating with all of you. Thank you to all who volunteered and made donations.

(continued from page 1) brothers and sisters. I don't believe you could top those, but you can add value. Check out all that is available to you, and the friendships you form, the bond with the Lodge and Chapter and you have something pretty great.

For us, here in Palm Bay our Lodge is on the verge of taking steps to guarantee our future. Right now we are raising funds to purchase land to build our own building and start supporting our own interests instead of our landlords. For us,

we are going to be part of our new lodge. We will talk for years on how we helped each other realize a new home. A home that requires a membership card, needs recruiters to build our rolls and give us more strength. Let's use the tools in our tool box to help build our membership numbers and building our lodge will be that much easier. Not just for our building, but in many ways, the more we work together, the more great things can happen.

FREEZIN' FOR A REASON!

(Plunge continued from page 1) organization meeting Monday January 5, 2015. We will also have a lodge Pep Rally on Friday Night February 6, the night before the plunge to get the excitement going and any last minute preparations we have to attend to. We also like to have a picnic lunch at the park after the plunge. Oh that's right, after the plunge the park is open for you to enjoy for the rest of the day. Everyone needs a few minutes in the lazy river, all the non plunge pools are heated... And I have not left any year with any other cars in the parking lot, except Moose. **By W. Scott Duncan**
