Sunshine Grand Parents Enjoying Moosehaven

Ed and Edie Layton moved to Moosehaven in December 2016. Ed has been a dual member of our lodge for many years. Edie has been a dual member of our Chapter. Edie suffered a stroke last year and lost the ability to walk, communicate, and take care of herself. Being the kind of husband he is, Ed used up a lot of resources having Edie in our local Palm Bay Life Care Center Nursing Home. All along he knew Moosehaven was a benefit of his long time membership in the Loyal Order of Moose. Once they had made the decision to move, Edie was transported to Moosehaven and immediately placed in the Life Care Center at Moosehaven for treatment. Ed was given his own room in Chancellor's Hall.

While Ed was trying to adjust to the new surroundings and life style, he said there was so much to do, he has not had time to do everything. His time is spent with daily visits to Edie, driving a golf cart, transporting residents, and fishing. Edie on the other hand has been focusing not on comfort but recovery. The care she is receiving is 5 Star rated and when we visited with her during the Florida Day Event, March 18, at Moosehaven. She could nod she understood us, knew us, and was eating on her own at the picnic. Then at the dinner dance that night, she stood up and danced with Ed. An amazing triumph for Edie and a testament to the care she is getting at Moosehaven.

It was June 21st 1987, and the Palm Bay Moose was created. As the years have passed, many members have come through our doors. Doors which at different stages, were located at different addresses. Our first meetings were held at the Captains House near Port Malabar. Then as we grew, our lot was on US Highway 1. We spent many years at that address, until after the hurricanes in 2004, that left our lodge with a hole in the ceiling. American Legion Post #81 allowed us to meet there for awhile and we ended up at our current location. Now, we are poised for our future, we have purchased our own building and are renovating it to become our Lodge. We owe our gratitude to those who came before us, laying a foundation for us to build on. Many of our past members have moved on, or passed away, their legacy is in our progress. Just remember it is our deeds that got us where we are today, not the physical buildings. Working, Living, and celebrating together, helping our children at Mooseheart, our Seniors at Moosehaven, and our local community has always been our foundation. It is in these deeds that we live our mission... And if you ask me, I am grateful for all my Moose Family, friends, and Co-workers. Watch the Lodge for posters for our Celebration in June!!! Happy 30th Birthday to the Palm Bay Moose Lodge #2311

Palm Bay Lodge Hosts Hopping Easter Party

April 15, usually brings in the tax man to keep us busy. This year however the 15th was the date of our annual Kid's Easter Party. Diane and Mike Guidice, along with their volunteer helper bunnies, set out to give the kids some fun. There were lots of sweets and even some "Twinkies Cars". The annual coloring contest and games with eggs... lots and lots of eggs. Check out www.palmbaymoose.com for pictures.

The Women of The Moose Chapter 2193

It is a new year for our Women of the Moose Chapter, and I am honored to represent all of our women as your Senior Regent. I thank the ladies who served before me for providing examples of leadership, and service, which I hope to carry forward.

We have an exciting year ahead, but it doesn't come without work and effort from all of us. I hope all the women will pitch in, in some capacity, to provide help at our events. Including and engaging both our newest and longest members will bring new ideas and invaluable experience to the table. I look to each and every one of you for thoughts, ideas, and inspiration. The Moose principles of Faith, Hope, and Charity, are strong in our Chapter. The talent we possess will result in its continued success.

Sincerely, **Jane Logsdon, 2017-2018 Senior Regent**

Administrator's Message

Well your new board is ready to go, the installation will be held at the end of the month and by the time you get this letter, we will be hard at work for the 2017-18 year. I would like to welcome new board member Mitch Rochon as trustee, and returning board member, Bob Smith as Junior Governor. I want to thank Ralph Curtis and Renée Dauplaise for their work for the Lodge last year. I want to also wish Donald Jones our Governor another successful year, he has been able to keep everyone together while we are waiting for our new building.

Thank You Palm Bay Members

Hello Co-workers & Brothers,

I want to say a "Big Thank You", to all who showed support, to the Palm Bay Women of the Moose Chapter 2193. In purchasing a ticket for the , "Day at the Beach", basket fundraiser. the Basket was won by Dusty Moore and given to his lady, Jen! Jen was so thrilled to win, she decided to join our Chapter, proving once again, "We have the Friendliest Lodge around"!

So, "Welcome", Jen to our extended family and thank you, dusty, for sponsoring and supporting the Palm Bay Chapter.

In Fraternal Friendship, Cynthia A. Bennett, Star Recorder Matriculate

Our New Lodge Dedication Ceremony Attended by Supreme Governor and Mayor

March 8, 2017... To recognize the purchase of our new building, and dedicate it to the Mission of the Loyal Order of Moose, our lodge held a dedication Ceremony and was honored to host the Moose Fraternities highest elected official Supreme Governor Fritz Griswold. Also present was our City of Palm Bay Mayor William Capote. The evening was filled with excitement and generosity. Fritz took the time before the Ceremony to walk around and meet each member that had gathered at the lodge. And was even given a tour of our new building by our Governor.

After the tour, the lodge put out a spread of BBQ Pork and Chicken, for a down home meal and wow was it good. Showcasing our simple family atmosphere the Palm Bay Moose enjoys.

For the Ceremony, The Girl Scouts Presented the Flag and led us in the Pledge of Allegiance. Followed by our opening prayer by Prelate, Ed Milnor. There was a brief introduction to the history of our Moose lodge and the Community Service we have performed over the years. This set the stage for later in our program. After a brief introduction of visiting dignitaries, Deputy Supreme Governor Richard Jones introduced Fritz Griswold, Supreme Governor of the Loyal Order of Moose.

Fritz opened his comments with adoration for the Girl Scouts who presented the Flag, commending the efforts they

made to learn about the importance of that and honor our American Heritage. then he began to boast about the Palm Bay Moose Lodge... stating we are not the norm, many lodges across the nation are selling buildings and moving to rentals, we are special because we are preparing for our future, purchasing, not selling, and keeping it simple not trying to build a "Taj Mahal". Building a stepping stone to greater things here in our community.

Mayor Capote, talked about the growth our City is expected to see over the next few years and complemented us on our service to the area. Then along with Governor Don and SG Fritz our lodge made a few presentations. A plaque dedicated to our mission to provide support for Mooseheart, Moosehaven, and our local Community. With the generosity of our members, we presented \$150 to the Girl Scouts, \$400 to the Moosehaven Centennial Project, and 1400 pounds of pet food with \$1000

in gift cards to the Space Coast Kibble Kitchen. If this was not enough, Two Members stood up and challenged our membership to donated to our Lodge Building Fund, they will match up to \$10,000 for every dollar donated before April 8. So with that said, a collection was made and we started our fundraising with \$653 for our Lodge Building Fund.

What a great evening with our fellow Moose. Thanks to our membership. We will continue to grow... by **W. Scott Duncan**
