Smoking Or Non-Smoking...That Is The Question

There has been a special meeting to discuss this very sensitive subject. Many members have strong opinions and are on opposite sides. Friends and Co-workers have to share their thoughts in public because they cannot attend the meeting and they do not have a vote. To our Loyal Order of Moose, Palm Bay, Florida Lodge #2311 Active Members... Please if you have an opinion, bring it to the meeting. There is no vote taken in the Social Quarters. Your voice is not heard, unless you are there. That is the way it works in our great fraternity. The Meeting has been called for March 2. But, remember we are much more than just a smoking or non-smoking Fraternity. We are supporters of children’s needs and safety, we are supporters of our Seniors at Moosehaven, we support projects in our own local community, and above all, we are Moose Members. Brothers and Sisters working as a family to make our community a better and safer place to live.

Dinner Will Celebrate This Year’s Accomplishments

There is no doubt, the difference between Ed and Rowena Milnor are evident. For this year, they have lead the way with the Loyal Order of Moose and the Women of the Moose at the Palm Bay Moose Lodge. Some say they were in co-hoots, other accused them with sleeping together, I say they worked sided by side to make our Lodge and Chapter better.

In an effort to recognize their efforts, what better way for the Lodge and Chapter Board of Officer’s to honor them, have them cook a dinner for the Membership. A Finale’ Dinner. That’s right, let’s reward their hard work with... more hard work! As it should be... Please join us as we celebrate together, April 20, 2019 from 5-7 pm.

After dinner, Harold a.k.a. Tropical Nights Karaoke, will turn on the Karaoke Machine and lets us sing and dance the night away. Never a dull moment with these two...
Governor's Message

Hey folks the year is going fast. Hope everyone has come out and checked out our new building. There is a lot going on. We need your support to continue to better our Lodge. We will be going to electronic newsletter this summer so please email your email to the lodge or myself papsmurfd68@gmail.com so you will receive it. Also if you want weekly updates email me and I will put you on the List. We have a lot of events going on so check out the calendar and come out and join us. Election of officers are now in progress if you are interested in running for an office come to the Lodge and summit your name. Elections are on the 13th of April. Thank you everyone for a great year. Hope to see you at the Lodge.

Fraternally, Edward Milnor Sr., Governor

Administrator's Message

I’m hoping this letter will reach you before the important vote, about the smoking issue. It’s very important that you come to hear other people’s opinions and give yours. I am looking at a large turnout to hear other people's opinions on this issue. It is time that you the Loom member expresses your opinion by Voting.

Your board has been working hard on creating more events at the Lodge. If you miss the Valentines Night Dinner and Dance you missed a very good time. The board has worked on making Five Card Bingo more exciting by adding bonuses to the Show Me the Money. We hope this will make it more fun to come to the games. The board is also trying to get electronic darts for you to enjoy. We need your ideas on all these things. Please feel free to talk to any of your board members so that they can bring that to the beatings (meetings), even better yet come to the meetings and express yourself there.

It’s also time for you to think about who’s going to be your new Governor and Board of Officers. The signup sheets have been on the board since 1 February, if you are interested please take one fill it out, then turn it into the administrator’s office. Remember this is an important time of the year, your Board of Officers is what guides the Lodge for the coming year. The governor along with the board is an important part of Palm Bay Moose Lodge so give it a lot of thought. Who would you like to be there, or would you like to be there to help the Lodge grow in the upcoming year.

Love to see you in the Lodge, come support, with your help, the Lodge will do nothing but get better in the future, thank you.

Fraternally, Lee Singleton, Administrator, Palm Bay Lodge 2311
Hello Everyone:

My term as Senior Regent ends April 30, but the fun is not over yet! I would like to thank my Board of Officers, and all the folks that pitched in to help this year. Whether you were always there, or just walked up and asked to lend a hand, I appreciate you. Hopefully you will be nearby to pitch in this next year as well.

I would like to say to the members, women & men, who aren't making the most of being a moose by enjoying what our lodge offers - you are missing out on so much - a friendly place to hang out, yummy food, music and so much more. Look at the calendar...there's a lot going on!

Keep the Faith, Believe in Hope and have Charity for all,

Rowena Milnor, Senior Regent
